

Have a great summer everyone! See you in the fall!

Track team members sharing special bonding time together.

## Partnerships

There are many partnerships we can celebrate as we prepare to close our 157<sup>th</sup> academic year of school at St. John. Our congregation partners with school families (community and members) to cover about 75% of school operating expenses. What a blessed partner for us to have in our ministry to children and families!

We also have a partnership to celebrate with St. Paul for our after school program. Mrs. Kramer sends her appreciation for all the wonderful kids and families who travel over to their program and thanks to those who sent extra supplies. A mutually beneficial partnership to be sure!

We have teacher-student partnerships, pastor-parent partnerships, parent-child partnerships and the list could go on! We are blessed in all these partnerships when our gracious God is at the center. Our sins blocked us from our Heavenly Father but Jesus' blood redeemed our relationship with Him. God bless all your partnerships!

## Summer Events of Note
