

We Welcome 2012!

We are thrilled that God has given us new opportunities and challenges in this new year of 2012. It is exciting and a little overwhelming to see all the great things already filling the early months of the school calendar.

We are thankful that our students continue to grow in faith, knowledge and service as time progresses and as we approach the mid-point of this school year, we rejoice in that ongoing growth. As we seek ways to expand our programs and continue building excellence in all areas (academic, fine arts and sports) we look to your continued support and partnership. Thank you!

God has blessed us with this new year not simply to fill our own calendars and our own agendas. He has given us tasks to fulfill of an "eternal nature" through our witness of the birth His Son and by loving and serving others.

Magazine Sale-Jan 16th

The magazine subscription sale (for new magazines and renewals) will begin on January 16th and run through the 27th. This fundraiser supports purchase of technology hardware as well as web based curriculum programs that we use.

We have some server upgrades needed, another 2 classroom projectors to purchase and there are always a few winter units to be replaced every now and again.

We keep copies of customers that each family received orders from. If you want a copy of your customers from last year just contact the office and we will get it to you.

For Your Information...(FYI)

Today's Paper Stack...Includes December Food and December AM Care statements, Tuition reminders for families who have balances due as of end of December, and early re-enrollment letters for fall 2012.

Christmas Program DVD's...Copies are available for purchase for \$15. Contact Mrs. Enge if interested.

Cool in the Furnace...Kids in grades 3-8 will be practicing after school each Wednesday starting Jan 4th until 4:30p. We will provide the kids with a snack or they can bring their own. Boys that are in basketball will be supervised between 4:30 and start of practice at 5p.
